About Institute

KLE Ayurveda Medical College, Chikodi established by KLE Society, having legacy of 102 years and more than 310 institutes across the globe, making it one of the largest education societies in the Asia continent. The institution is affiliated to Rajiv Gandhi University of Health Sciences, Bangalore & approved by the NCISM, Ministry of AYUSH, New Delhi. The college intends to offer international standards of academic facilities, healthcare services and research facilities to aspiring pupils. The hospital is on the path of rapid growth with excellence in offering healthcare services through Ayurveda to needy people in and around the Chikodi.

Background

Rheumatic diseases affect the entire body, including ligaments, bones, joints, tendons, and muscles. They can involve immune system dysfunction and systemic inflammation, causing aches, swelling, and stiffness. There are over 200 rheumatic diseases, including Osteoarthritis (OA), Rheumatoid Arthritis (RA), Lupus, Ankylosing Spondylitis (AS), Gout and others.

Rheumatic diseases are widespread, especially degenerative and soft tissue types, affecting 20-25% of Indian adults. To characterize their prevalence, demographic correlates, and the burden of rheumatic disorders in the community and treatment modalities we present to you a platform “Sandhi Viveka-2025, State level Seminar on Sandhi Vikara to deliberate on medical advances in the field of rheumatology and to explore integrative approaches towards managing rheumatological disorders.

Key Highlights: Modern insights, Latest advances, Expert led Sessions, Case based learning and Ayurveda protocol in Rheumatology.
